Early detection of eye disease due to diabetes will keep the eyes of Texas healthy well into the 21st century!

You may be eligible to participate in the **2011 Save Your Eyes Now/Proteja Su Vista Hoy-A Public Vision Health Awareness Campaign for the Lower Rio Grande Valley and East Texas August 15-September 30** which will allow you or a family member to receive a free comprehensive eye exam and eyeglasses, if prescribed from a qualified optometrist, ophthalmologist or other independent participating eye health professional. We are pleased to provide you and your family with this opportunity through the efforts of Texas Vision Health Education Integration Collaborative.

Valley Retina Institute
