# Frequently Asked Questions

## **What should I do if my child loses or breaks their eye glasses?**

Contact the store or office where your child last got their eye glasses.

## **What should I do if my child's insurance doesn't cover eye glasses and I can't afford to buy them for my child?**

Contact the health manager or school nurse at your child's school for programs that can help.

## **How often should my child see the eye doctor?**

This is different for each child. Ask your child's eye doctor how often to schedule appointments.

## **Will my child grow out of needing eye glasses?**

This is different for each child. Ask your child's eye doctor.

## **Will my other children need eye glasses too?**

Vision problems are common in children. Check with your child's eye doctor.
