EyeCare America provides eye care to US citizens and legal residents through volunteer ophthalmologists, often at no out-of-pocket cost to those who qualify. Visit [www.aao.org/eyecareamerica](http://www.aao.org/eyecareamerica) to find out if you or someone you know qualifies for eye care. More than 90 percent of care provided is at no out-of-pocket cost to EyeCare America patients.

To be eligible for the Seniors program, you:

- Are a U.S. citizen or legal resident
- Are age 65 or older
- Do not belong to an HMO or have eye care benefits through the VA
- Have not seen an ophthalmologist in three or more years.

If you are not eligible for the Seniors program, you may qualify for the Glaucoma

Program, which provides a glaucoma eye exam at no cost to those who are uninsured.

To be eligible for the Glaucoma program, you:

- Are a U.S. citizen or legal resident
- Do not belong to an HMO or have eye care benefits through the VA
- Have not had an eye exam in 12 months or more
- Are at increased risk for glaucoma, determined by your age, race, and family history of glaucoma.

### Translation and Telephonic Interpreting Services Program for Spanish-Speaking Patients with Graves and/or Thyroid Eye Disease

Bromberg & Associates  
3141 Caniff Street  
Hamtramck, MI 48212  
Phone: (331) 871-0080  
Fax: (888) 225-1912  
[preventblindness.org/ted-language-services](http://preventblindness.org/ted-language-services)

Language should never be a barrier to seeking healthcare, education or important daily services. In an effort to eliminate language barriers, Bromberg & Associates has created a no-cost program, sponsored by Horizon Therapeutics, to offer translation and telephonic interpretation for Spanish-speaking individuals and families impacted by specific health conditions, including Graves and/or Thyroid Eye Disease. If you or your family member has been diagnosed with either, you qualify for document translation and interpreting services by telephone by the Bromberg & Associates team at no-cost. This program will offer Spanish speaking families the ability to get connected with translation &/or interpretation services for whatever their needs are (healthcare related or other), at no cost. The one-pager found at the above link lays out the basics of the program:

- Program will be available to any families impacted by Horizon supported disease communities and beyond.
- Bromberg will require HIPPA to be signed before services are offered.
- No proof of medical or financial need to qualify.
- Horizon has no say in who will get services and receives NO patient identifying data on who participates.
- Spanish is the only available language right now. Other languages may be considered in the future.
