Founded in 1908, the nation's leading volunteer eye health and safety organization is dedicated to preventing blindness and saving sight. Focused on promoting a continuum of vision care through all life stages, Prevent Blindness touches the lives of millions of people each year by promoting eye health, safety, early detection and treatment.

Prevent Blindness strives to maximize your corporate exposure through our promotional and advertising outlets before, during and after the outing. We offer a variety of sponsorship opportunities, including Hole Sponsor, Lunch Sponsor and more. Participation in the outing supports the sight-saving programs of Prevent Blindness.

Challenging play and breathtaking scenery make Bali Hai a one-of-a-kind golfer's paradise that Golf Digest named one of the "Top 50 Resort Courses". Designed by Lee Schmidt and Brian Curley in 2000, the Bali Hai Golf Club is a worthy namesake of the famous Indonesian land of enchantment. The lush surroundings include seven-acres of opulent water features, a total of 4,000 trees with 2,500 stands of towering palms and 100,000 Balinese tropical plants. Transition and out-of-play areas are accented with Augusta white sand and black volcanic rock outcroppings.
